Circular No: DPS/P /2019-20/61

Date :04.09.2019

Dear Parents

Greetings!

This is to reaffirm & reiterate the safety and security of children inside and outside school. All possible measures are taken by the School to ensure safety of the children.

No child is allowed to leave the school on his/ her own. It is seen that sometimes parents send their neighbour to pick up their ward but do not send the parent ID card or the authorisation letter with a result the school faces a lot of problems. Please ensure In case of grandparents/ uncles / aunts / neighbours picking up the children, the parents must ensure that they send the Authorization Letter and the Parent ID card .The parents are once again advised the following:

1. Parents should reach the bus stop to pick up their wards and show the parent ID card , only then the child will be handed over by the lady attendant in the bus., failing which the child will be brought back to the school.
2. It is mandatory to intimate the school authorities regarding any change in Address and Phone No. of the parents.
3. Parents should also train their wards regarding "Good-Touch" and "Bad-Touch".

No security is complete without the active support and advice of the parents. We seek your partnership in providing a safe and conducive environment to OUR children for which your valuable suggestions are always welcome.

With best wishes
