(Under the aegis of The Delhi Public School Society, New Delhi)

Circular No: DPSP/2026-27/024

Date: 01.07.2026

Subject: Revision of School Transport Charges

Dear Parents/Guardians,

Providing a safe and reliable transport service for our students remains a top priority for the school. However, due to the continuous rise in fuel prices, along with increased manpower and operational expenses, the cost of maintaining these services has risen significantly.

To ensure we continue delivering the highest standards of safety, quality, and efficiency, the school management has decided to revise the transport charges by **9%, effective from the July 2026 fee cycle.**

We understand the impact of fee revisions and assure you this decision was made only after careful consideration. We deeply appreciate your understanding and continued support in helping us maintain a safe commute for our students.

Warm Regards,

Principal

DPS Pataudi
